

SMS FLATSCREEN WH 3D

NEW
DESIGN!

Different points of view.

The SMS Flatscreen WH 3D is an elegant way to extend the use of your screen regardless of the room's architectural limitations. The SMS Flatscreen WH 3D can be adjusted in almost any way you want. It is a sturdy construction that can support heavier screens as far as 70 cm from the wall or flat against it. The screen can also be tilted forward. This smooth design adds 3D functionality to your 2D media.

New!

The adapterplate has a new design, which is easier and more user friendly. The new SMS Flatscreen H2 Unislide is included in the bracket.
